

**HELLO SPARKS (& PARENTS / CARERS)
PLUS ANY SUNBEAMS WHO ARE BIG ENOUGH!**

You are not forgotten!

Hope you're having fun at home and enjoying some time outside in the lovely sunshine. Remember Jesus knows your name and loves you to the moon and back and so much more!

PARENTS

In these weeks while the children are all together at home it makes sense for children across all the ages to be thinking about the same theme. The story video can be used for Sparks children (or you can tell it more simply if you prefer) and the colouring sheet is especially for your children.

Also it would be great if you can find the 'VERSE TO REHEARSE' in the Blaze resource tab so you can make up actions to try and learn the verse together.

SOME EXTRA IDEAS FOR SPARKS ON THIS WEEK'S THEME:

1. Tape a large piece of paper to the floor. Have the kids try to hold a crayon in between their toes to colour on the paper on the floor. It might be easier if they sit in a chair and try. *Helping others can be difficult sometimes like colouring with your feet, but you can do it!*
2. Draw round each others feet and colour them in
3. Make up an obstacle course!
4. Act out the story with playmobile or lego or whatever you have (maybe at bath time?!)
5. Make your Sparks big toes into Jesus and Peter (get creative!) and get them to act the conversation with their 'finger' puppets! Hilarious!
6. Get your Sparks to think of something they can do for someone else to show love. Take a photo to share with us.
