BUILD a mountain from whatever you can find...lego, paper mache, pillows! Or **PAINT** a mountain picture.

Think about today's story.

In the good times we can feel like we're on top of a mountain, high above troubles and bad times! Then there's times we can feel like we're in a deep valley, shadows all around and we can't see a way out. You could be on the highest mountain or in the deepest valley, no matter where you are, you're not alone. Thank God for always being with you.

UNLIKELY HEROES

Worship and Pray!

Elijah was a prophet which means he was someone who was tuned into God's voice and could hear Him clearly. God wants to speak to all of us. It might sound a bit strange but this 'hearing' isn't in the usual way. Often it's through the Bible or sometimes we might have particular thoughts, or a picture in our minds, or just know something that we can't explain, or have a feeling or emotion. All of these can be ways of God speaking to us by the Holy Spirit. Choose a worship track you love (you could use the song on the tab) and find a quiet place to get comfy. Play the music, ask God to speak to you and listen carefully. Sometimes God just wants us to enjoy being in His presence and that's ok, enjoy! But there may be something particular He wants to say. Afterwards, if you want to, take a moment to write down or draw anything you heard or saw and talk to God about it.
