

HI SPARKS (& PARENTS / CARERS) PLUS ANY SUNBEAMS WHO ARE BIG ENOUGH !

☺Happy Easter! Jesus is alive☺

This means we can be His friend forever! Hooray! Let's celebrate!

On Friday we remembered that Jesus died on the cross and today we celebrate that He is alive forever and ever and ever!

PARENTS

In these weeks while the children are all together at home it makes sense for children across all the ages to be thinking about the same theme. The story video can be used for Sparks children (or you can tell it more simply if you prefer) and the colouring sheet is especially for your children.

Also it would be great if you can find the 'VERSE TO REHEARSE' in the Blaze resource tab so you can make up actions to try and learn the verse together.

SOME EXTRA IDEAS FOR SPARKS

1. Check out the spotify playlist for kids and have a lovely time worshipping together. You could use instruments or even make your own (rice shaker/ elastic band tissue box guitar?!)
2. Pretend you are the first disciples that discover the empty tomb and make up a little play together! Get excited together that JESUS IS ALIVE!
3. Make some Easter cards for your neighbours
