

HI SPARKS (& PARENTS / CARERS) PLUS ANY SUNBEAMS WHO ARE BIG ENOUGH!

Hello😊 Today is a special day we call Good Friday when Jesus died on the cross to show His love for you and for me.

How did you get on with the memory game last week? I bet you're really good at it! Have you remembered to thank Jesus for everything you can think of this week? Have a look on the next page for some things to do today.

PARENTS

In these weeks while the children are all together at home it makes sense for children across all the ages to be thinking about the same theme. The story video can be used for Sparks children (or you can tell it more simply if you prefer) and the colouring sheet is especially for your children.

Also it would be great if you can find the 'VERSE TO REHEARSE' in the Blaze resource tab so you can make up actions to try and learn the verse together.

SOME EXTRA IDEAS FOR SPARKS

1. Grown ups- draw a cross for your Spark to decorate using paint, pens, stickers, collage
2. Make some cross shapes out of playdough or duplo and talk about the story. Alternatively you could make crosses outside with twigs and sticks.
3. (for the more ambitious!) Make some hot cross buns together.
