

HI SPARKS (& PARENTS / CARERS) PLUS ANY SUNBEAMS WHO ARE BIG ENOUGH !

☺ This week we continue our theme, Unlikely Heroes! ☺
You might be small but God can use you to do MIGHTY things! You can
be a hero!

This week our bible story is all about a man called Nehemiah who saw an
opportunity, acted on it and made a huge difference to many lives!

PARENTS

In these weeks while the children are all together at home it makes sense for children across all the ages to be thinking about the same theme. The story video can be used for Sparks children (or you can tell it more simply if you prefer) and the colouring sheet is especially for your children.

Also it would be great if you can find the 'VERSE TO REHEARSE' in the Blaze resource tab so you can make up actions to try and learn the verse together.

We are keeping the same verse for 3 weeks, learning one sentence at a time!

SOME EXTRA IDEAS FOR SPARKS

1. Nehemiah cared for his people and saw an opportunity to show them. Why don't you draw a picture for someone you care about and haven't seen for a while. Put it in an envelope and send it to them.
2. With the help of many people, Nehemiah built a huge wall. With a grown up, measure how tall you are. Now see if you can build a wall as tall as you! You could use toy bricks, lego or boxes.
