

**HI BLAZE!** THIS WEEK IS GOING TO BE EXCITING AS WE LOOK AT SOME OF THE MIRACLES JESUS DID!

In the Gospels we see Jesus perform impossible miracles. Jesus did this to reveal God's power and so people would know He was the Messiah. When we see God do the impossible here in the Gospels, or in the lives of those around us, we begin to realise that God can do the impossible for us too! NOTHING is too hard for God.

### CHATTABOUT

1. Can you name 3 miracles that Jesus performed that involved water?
2. Read John 6:12-13. How many baskets of food were left over?
3. In our lives, what areas can we believe God to do the impossible?

### PRAY:

Dear God, help us to remember that we can ask for your miracle working power in every area of our lives. Help us to pray for big things, believing you will do miracles in our lives.

In Jesus name, Amen

Ask your family or friends if God has ever done a miracle in their lives. It's good to hear about what God has done and our faith will grow!

Maybe you and your family could act out this week's story. Why don't you film it & send it to Hayley!

### MIRACLES

**THE POSSIBILITIES ARE  
ENDLESS WITH GOD!**

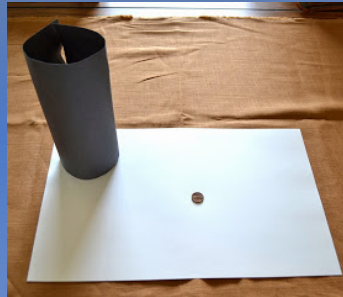

Have a go at this 'MAGIC TRICK'. Remember, it's only a trick, but it can help remind us of the impossible MIRACLES only God CAN DO!

## BLAZE

Stick a piece of paper onto the bottom of a glass.

Put the rolled up paper over the glass.

Put a penny in the middle of a blank sheet of white paper.

Pick up the glass (with the paper still on it) and place it on top of the penny.

Roll up and tape a piece of black paper.

Take the piece of black paper off the glass. You will see the penny has disappeared!
