

HI BLAZE! THIS WEEK WE HAVE MORE AMAZING MIRACLES, THIS TIME THEY ARE **HEALING MIRACLES!**

In the Gospels we see Jesus showing great love and compassion for people. He healed many people in miraculous ways and He is still the great healer today. If we know someone who is sick, we can have compassion for them and pray.

God sometimes heals instantly, sometimes over time, sometimes through treatments and medical help and sometimes we don't see healing. It's not up to us to know what God will do but our job is to pray and trust Him because He is good and He loves us. God promises that through Jesus we will live forever in heaven where there will be no more sickness or disease.

CHATTABOUT

1. How did Jesus treat those who were sick or in need?
2. What should we do when someone is sick?
3. Does healing still happen today? Ask your family and friends about how God has healed them or anyone they know.

GET CREATIVE

Could you draw a cartoon strip of this week's story of the man who was blind from birth? Send your pictures to Hayley for the webpage.

THE GOSPELS MIRACLES

GAME TIME

Play a game of 'charades' where you mime an injury or illness and everyone else has to guess what is wrong!

**WE HAVE HEALING
BECAUSE OF JESUS!**

PRAY:
Thank you Jesus that we can receive healing! Thank you that you still heal today and that we can receive healing from you.
In Jesus name, Amen
